# Acquire New Patients and Improve ROI with Integrated Campaigns.

## Our Approach

- We prioritize what we know about your audience and goals to curate fully-integrated media campaigns.
- We harness the power of analytics to develop data-driven strategies that reach the right customers at the right time.

## Activation Opportunities

- **Drive awareness with CTV, DOOH, and Digital Display** with key target audiences within the radius you're most likely to acquire new patients.
- **Shared Mail** can increase consideration and response with promotions and offers delivered within the communities that matter most to your practice.
- Use **Paid Social** to reach highly targeted audiences, amplify offers, and increase your local following.
- Use **Trigger Marketing tactics** to deliver relevant offers to audiences experiencing life events that more likely to drive a need for a new dentist, such as **New Movers**.
- Use **Search Engine Marketing** to reach audiences searching for specific keywords, like 'Dentist near me,' or convert them later with **Display Ad Keyword Retargeting**.

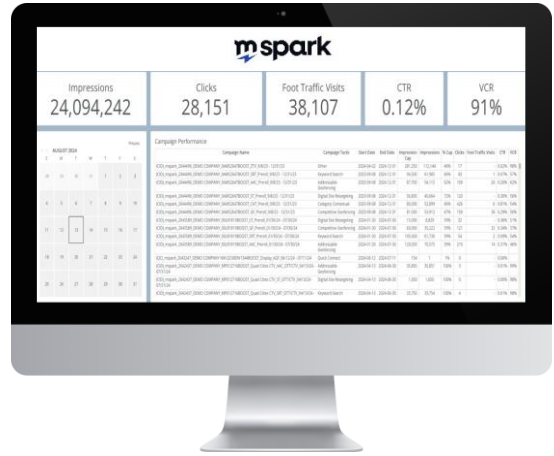

Let's Ignite Results for Your Business.
