HAIR SALONS: DATA-DRIVEN, AUDIENCE-CENTRIC SOLUTIONS

Our Approach:

- We prioritize what we know about your audience and goals to deliver full-funnel, data-driven marketing solutions.
- We harness the power of analytics to develop platform-agnostic media strategies that reach the right customers at the right time.

Activation Opportunities:

- **Drive awareness with CTV, Digital Display, and Digital Out-Of-Home** with target audiences within the radius you're most likely to acquire new clients.
- **Shared mail inserts** can cost-efficiently increase consideration and response with offers delivered to the communities nearest your salon's location.
- Use **paid social** to reach highly targeted audiences and increase your local following.
- Use **trigger marketing tactics** to deliver relevant offers for New Movers.
- Use **search engine marketing** to reach audiences searching for specific keywords, like 'Hair salon near me,' or convert them later with **display ad keyword retargeting**.
