AGRICULTURAL SUPPLY: DATA-DRIVEN, AUDIENCE-CENTRIC SOLUTIONS

## Our Approach:

- We prioritize what we know about your audience and goals to deliver full-funnel, data-driven marketing solutions.
- We harness the power of analytics to develop platform-agnostic media strategies that reach the right customers at the right time.

## Activation Opportunities:

- **Drive awareness** with Farmers, Ranchers, and other key audiences within the communities that matter most with **CTV, DOOH, and digital display**.
- **Oversized or 4-page shared mail inserts** can help you stand out and maximize space to promote a variety of products and offers in the communities that matter.
- Use **paid social** to reach highly targeted audiences and increase your local following.
- Use **search engine marketing** to reach audiences searching for specific keywords, like 'Ag supply store near me.'
- Convert new customers searching for specific products that your ag supply store sells locally with **display ad keyword retargeting**.
