

TOURISM

Turn Inspiration Into Bookings: Reach Travel-Ready Audiences.

Our Approach

- We prioritize what we know about your audience and goals to curate fully-integrated media campaigns.
- We harness the power of analytics to develop data-driven strategies that reach the right customers at the right time.

Activation Opportunities

- **Drive awareness with CTV, Digital Out-Of-Home, and Digital Display** with target audiences within key markets where you're most likely to acquire new visitors, or trying to increase awareness.
- **Shared Mail** inserts can cost-efficiently increase trip consideration by highlighting seasonal packages, event calendars, maps/itineraries, and local "must-do" experiences.
- Use **Paid Social** to reach travel-intenders, niche segments (families, couples, outdoor enthusiasts), and build look-alike audiences from past visitors.
- Use **Search Engine Marketing** to capture high-intent queries like "weekend getaway near me," then convert later with **Display Ad Keyword Retargeting** and dynamic creative that mirrors the traveler's search interests.

Let's Ignite Results for Your Business.

Actionable Results.

Our campaign reporting brings your strategic story to life.

- 01. Continuous Improvement:** We analyze performance across media, audiences, and geographies to enhance it further.
- 02. Collaborative Data Sharing:** Sharing data, like CRM, store performance, or redemption data, helps us understand how your campaigns are performing.
- 03. Enriched Insights:** By allowing us to enrich your data with our resources, we uncover who's engaging with your campaigns, who isn't, and how to refine our strategies for greater impact.

ABOUT US:

Mspark is a results-driven media marketing partner built for accountability. Our teams plan, activate, and measure fully-integrated media campaigns – anchoring strategy and audience intelligence directly to performance through client-first service.

135M
