

Full-Funnel Strategies to Amplify Reach and Engage the Right Audience.

ENTERTAINMENT VENUES: DATA-DRIVEN, AUDIENCE-CENTRIC SOLUTIONS

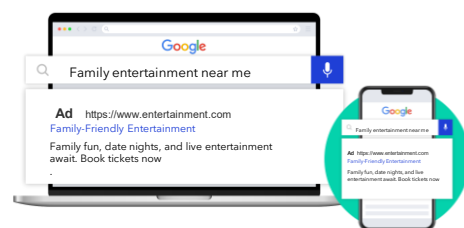

Our Approach:

- We prioritize what we know about your audience and goals to deliver full-funnel, data-driven marketing solutions.
- We harness the power of analytics to develop platform-agnostic media strategies that reach the right customers at the right time.

Activation Opportunities:

- **Connected TV, Digital Display, and Digital Out-Of-Home** can target local audiences and showcase main attractions, headline acts, immersive experiences, and venue highlights to drive ticket sales.
- **Shared mail inserts** can cost-efficiently keep target communities informed about what's new or promote special packages or offers.
- Use **paid social** to engage target audience segments with relevant, inspiring content and increase your local following.
- Use **trigger marketing** tactics to deliver relevant offers for New Movers.
- Use **search engine marketing** to capture high-intent queries like "family entertainment near me," or **retarget users with display ads** and dynamic creative that mirrors the audience's search behavior.
